Tufts Student Service Scholars Program
Application for First Year Tufts Medical Students

This application is open to first-year medical students on the Boston campus at Tufts University School of Medicine. We are unfortunately unable to accept applications from Maine-track or MD/PhD combined degree students at this time. Email your completed application to Jessica Alvarez (Program Administrator) at jessica.alvarez@tufts.edu no later than Sunday, August 31, 2014.

1. Are you in a combined degree program? If so, which program?

2. Do you have skills in languages other than English? If so, please explain.

Please answer all four of the below questions, limiting each response to less than 300 words.

3. Why are communities underserved?

4. Why are you interested in working with underserved communities?

5. Describe one or two of your past experiences working with underserved communities and explain how that relates to your interest in the Tufts Student Service Scholars Program.

6. What do you hope to contribute to the Tufts Student Service Scholars Program?
