2016
Tufts Medicine Reunion

APRIL 8–10, 2016
BOSTON, MA

Reconnect
Reminisce
Rediscover
Dear Tufts Alumni and Friends,

We are planning a great Tufts Medicine Reunion this year. I am pleased to invite you and your family to attend the many activities occurring April 8–10, 2016.

In addition to meeting up with classmates to reminisce and learn about the great changes that have taken place at Tufts University School of Medicine (TUSM), we are planning a fun and interesting weekend with activities including guest speakers on the history of the medical school, the Boston Dispensary, the Floating Hospital, and Tufts Medical Center. We hope that this will serve to remind us of our wonderful roots in patient care, research, and teaching.

Along with this, we are introducing new educational opportunities for Tufts alumni. While we continue to provide teaching and educational activities at the medical school, the Tufts Medical Alumni Association Executive Council and Dean Harris Berman have made progress on the Medical Alumni Volunteer Expert Network, MAVEN. Tufts Alumni are actively seeing patients online in San Francisco and will soon be doing the same in the Boston area. Additional information will be available during the weekend.

We will also be presenting Reunion Class Giving Awards—every gift, pledge, and bequest made to a Tufts school or program will count. It is a nice way to celebrate your reunion and make an immediate impact on TUSM.

Please join your classmates, current medical students, the TMAA Executive Council, faculty, and administrators this spring in Boston. I look forward to seeing you in April.

Sincerely,

Thomas R. Hedges III, M.D., M75
President, Tufts Medical Alumni Association

Reunion Class Giving Awards
With your gift, everybody wins—donating supports TUSM through financial aid, library enhancements, faculty support, research, and public health initiatives. Plus, you and your classmates have a chance to take home an award during Reunion Weekend. There are four different awards, so that means four chances to win and every gift, pledge, and bequest made by you and your classmates to a Tufts school or program will count toward your class total. For more information go to: medicine.tufts.edu/reunion.

Attire
There is no formal dress code for any Reunion program. Most attendees wear cocktail or business attire to the Friday evening reception. The Saturday evening reception and class dinners are black tie optional. Typically, there is a good mixture of black tie and cocktail attire. Attire for other activities/events is at your discretion.
