Dear Tufts Alumni and Friends,

Your Tufts Medicine Reunion is coming up May 5–7, 2017, and you don’t want to miss it. Spring in Boston at the beautiful Four Seasons Hotel, across from the Boston Public Garden, will provide the perfect backdrop to some wonderful activities for you and your family.

Reunion is a chance to meet up with classmates, reminisce about “the good old days” in medical school, and learn about the great changes that have taken place at Tufts University School of Medicine (TUSM). You will have an opportunity to hear from guest speakers on the history of the medical school, the Boston Dispensary, the Floating Hospital, and Tufts Medical Center. We hope that this will serve to remind you of your wonderful roots in patient care, research, and teaching. There will also be a student panel discussion, student-led campus tours, and plenty of opportunities to interact with Dean Harris Berman and faculty members.

Reunion Class Giving Awards will be given to classes that exhibit exceptional generosity and participation in honor of their reunion—every gift, pledge, and bequest made to a Tufts school or program will count. It is a nice way to celebrate and make an immediate impact on TUSM.

Please join your classmates, current medical students, the Tufts Medical Alumni Association Executive Council, faculty, and administrators this spring in Boston. I look forward to seeing you in May and welcoming you back to Tufts.

Sincerely,

Carole E. Allen, M.D., M71
President, Tufts Medical Alumni Association

Reunion Class Giving Awards

With your gift, everybody wins—donating supports TUSM through financial aid, library enhancements, faculty support, research, and public health initiatives. Plus, you and your classmates have a chance to take home an award during Reunion Weekend. There are four different awards—that means four chances to win and every gift, pledge, and bequest made by you and your classmates to a Tufts school or program will count toward your class total. For more information go to: medicine.tufts.edu/reunion.

Attire

There is no formal dress code for any Reunion program. Most attendees wear cocktail or business attire to the Friday evening reception. The Saturday evening reception and class dinners are black tie optional. Typically, there is a good mixture of black tie and cocktail attire.
