

## Frequently Asked Questions By Alumni

- 1. I received an email/postcard/phone call from a company asking for my personal information. They said they were working on a directory for Tufts University School of Medicine and the Sackler School of Graduate Biomedical Sciences. Is this a legitimate project, or is it a scam?**

We have partnered with PCI (also known as Publishing Concepts) to produce our new alumni directory. PCI is a company located in Dallas, TX that publishes directories for educational institutions, fraternities, sororities and military organizations across the nation. This project allows Tufts University School of Medicine, Sackler School of Graduate Biomedical Sciences, and Public Health & Professional Degree programs to receive important updates to our database so we know more about our alumni and how we can better serve you and future alumni.
