Sackler Graduating and Cancelling Health Insurance Form

Student Health Insurance Policy for Graduating Sackler Students

Sackler students, who are graduating and enrolled in the student health insurance plan, have the option of either cancelling their health insurance on the date their stipend ends, or making a payment to continue enrollment in the plan until the end of the current insurance semester. The Fall term ends on February 28th/29th and the Spring term ends on August 31st.

The student must notify the Student Advisory & Health Administration Office of his/her intent within fifteen (15) calendar days from the date the stipend ends by completing a Sackler Graduating & Cancelling Health Insurance Form and by paying in full. Failure to submit the required form and full payment will result in the student’s health insurance policy being cancelled on the date the stipend ends.

Insurance Conversion Policy for Students Leaving the University

Students who leave the University are not eligible to continue membership in the student health insurance plan under the Federal Law known as COBRA, the Consolidated Omnibus Budget Reconciliation Act, as this law does not apply to student plans.
