

2020–2021 TUSM Verification Worksheet (V4)

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Please complete and sign the TUSM institutional verification document, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. We may ask for additional information after reviewing this document. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
