PHYSICIAN ASSISTANT PROGRAM

Master of Medical Science
HISTORY OF THE PA PROFESSION

• Created to improve and expand healthcare

• Started in 1965 at Duke University (Dr. Stead)
  – Vietnam era medics returning to civilian life, well-trained

• 1 PA Program in 1965, today there are 250 & counting
  – Over 131,000 PA’s today

• Master’s degree is entry-level education with accreditation & certification processes in place
Job Forecast

Where do you find PAs?

PAs practice in every work setting:
- 36.5% – Hospital
- 5.9% – Urgent Care Center
- 4.3% – Other*
- 53.3% – Outpatient Office or Clinic

PAs practice medicine in all specialties:
- 20.8% – Primary Care
- 12.2% – Internal Medicine Subspecialties
- 9.4% – Emergency Medicine
- 1.4% – Pediatric Subspecialties
- 28.8% – Other*
- 27.4% – Surgical Subspecialties

2019 AAPA Salary Survey,
All data based on clinically practicing PAs in the U.S.

*Other refers to a variety of work settings including but not limited to schools/universities, rehabilitation facilities, nursing homes and correctional facilities.

2019 AAPA Salary Survey,
All data based on clinically practicing PAs in the U.S.

*Other refers to a variety of healthcare settings including but not limited to psychiatry, hospice and palliative care, obstetrics and gynecology, addiction medicine, pain management, public health and dermatology.
The Tufts University School of Medicine

Physician Assistant Program
CORE FACULTY

• Beth Buyea, DHSc, PA-C – Program Director

• Joseph Sansone, MS, PA-C – Associate Program Director, Director of Clinical Education

• Rosanne Washington, MHS, PA-C – Director of Didactic Education

• Jeanine Carlson, MD – Medical Director

• Mark Freedman, MHP, PA-C – Faculty

• Mercedes Colangelo, MPH, PA-C – Faculty
MISSION STATEMENT

Our mission is to promote human health by providing excellent education to future physician assistants so that they are prepared to become integral members of the health care team. We fulfill this mission in a dynamic learning environment that emphasizes rigorous fundamentals, innovative delivery of the curriculum, and compassionate care to diverse patient populations. Our graduates will be prepared to participate in all aspects of the health care continuum, including disease management, health promotion and maintenance, and palliative care.
PROGRAM STATUS

• The TUSM PA Program has received Accreditation-Continued status by the Accreditation Review Commission for the Physician Assistant (ARC-PA)
  – Next validation review of the program will be March 2026

• Our seventh class (Class of 2021) of 50 students is currently in its clinical year and our eighth class (Class of 2022) of 50 students started the didactic year in January

• Class of 2023 starts January 4th!

Figure shows results for CO2015--CO2022
WHY TUFTS?

• Part of the mission of the Medical School
  – Over 100 years of training clinicians

• Diverse curriculum and clinical resources
  – Nutrition class
  – Orthopedics rotation

• Interprofessional experience
  – Medical School
  – Dental School

• Community service focused
Successful Graduates

Five Year First Time Taker Average Pass Rate for Program: 100%
GRADUATE EMPLOYMENT RATE

- 6 months out → 95-100%
- Over 50% work in MA
FACILITIES AT TUFTS

- Study & meeting areas for students
- New Gross Anatomy Laboratory
- State-of-the-art Simulation Center
NEW GROSS ANATOMY LAB
Students are given a myriad of mock clinical situations
Students treat robotic patients
Students critique themselves and identify areas in need of improvement
Simulated cases mimic actual clinical scenarios from common to rare clinical cases
Helps link student training with clinical experience
Designed to enhance patient safety and the quality of care

PEER PRACTICE- Philosophy

• Practice your exam skills on fellow students who will then practice on you

• Learning what is like to be a patient as well as a clinician

• Some procedures you will practice:
  • Phlebotomy (blood drawing)
  • Intradermal, subcutaneous and intramuscular injections
  • Peripheral intravenous lines
  • Casting & splinting

CLINICAL YEAR
CLINICAL YEAR

Month-long blocks

• Inpatient Internal Medicine
• Family Medicine/Ambulatory
• Pediatrics
• Surgery
• Behavioral medicine
• Women’s Health
• Emergency Medicine
• Orthopedics

• Selective - Inpatient Medicine
• Selective - Ambulatory Medicine
• Elective
CLINICAL AFFILIATIONS

• Drawn from TUSM and Tufts Medical Center affiliates and other major academic medical centers, community hospitals & private practices

• Dedicated to teaching & interested in academic medicine

• Potential for employment

• Most within 60 miles of downtown Boston

• You must have use of a car for the program!
Major Clinical Affiliates

- Beth Israel Deaconess
- Beverly Hospital
- Brigham and Women’s Hospital
- Cambridge Health Alliance
- Lahey Hospital and Medical Center
- Lemuel Shattuck Hospital
- Lowell General Hospital
- MetroWest Medical Center
- South Shore Hospital
- Tufts Medical Center
GRADUATION REQUIREMENTS

• GPA of 3.0 or better
• Successful completion of all clinical rotations
• Pass a comprehensive written examination
• Successfully complete an Objective Simulated Clinical Examination
• Complete and pass your Capstone Project
• Demonstrate professional performance
COMBINED PA/MPH Degree Program

• Students will graduate with two Master’s degrees: a Master of Medical Science (MMS-Physician Assistant Program) and a Master of Public Health (MPH)

• **Year 1/MPH Year** - MPH credits to be completed in 12 months starting in January. Students must be in good academic standing in MPH program to proceed into the PA Program.

• **Year 2/PA Didactic Year**

• **Year 3/PA Clinical Year**
"Pilot study examining the use of a decision-aid with patients considering a surgical aortic valve replacement (SAVR) or transcatheter aortic valve replacement (TAVR)"

"Donor Breast Milk Consumption Amongst Premature Neonates: A Quality Improvement, Quality Assurance Analysis of Feeding Trends in a Neonatal Intensive Care Unit"

"The Opioid Epidemic on Nantucket: A Qualitative Analysis"
Admissions to PA/MPH Program

• In order to apply, you must apply through the PA Program via CASPA and indicate your intent to apply to the PA/MPH program on the application (you do not need to apply to both programs separately)

• Applicants for the combined program will defer their acceptance into the PA Program by one year

• Once you have applied to a degree path, you cannot change to the other if admitted.
BECOMING AN ELIGIBLE CANDIDATE

- Academic prerequisites
- Undergraduate record
- Direct patient care experience
- References

These requirements are subject to change for future admission cycles
ACADEMIC PREREQUISITES

- Bachelor’s degree in any area from an accredited institution

- **Required:**
  - Human Anatomy (1 semester for science majors)
  - Human Physiology (1 semester for science majors)
  - General Biology (2 semesters with labs)
  - General Chemistry (2 semesters with labs)
  - Microbiology (1 semester with lab)
  - Statistics (1 semester)

- **Strongly Recommended:**
  - Psychology
  - Biochemistry
  - Medical terminology (accepted students must complete before matriculating)

If taken as a combined course, 2 semesters are still required.
UNDERGRADUATE RECORD

• Required Science and Prerequisite GPA of 3.0
  – Ideal minimum: at least a 3.2

• All prerequisites must be:
  – taken within 10 years of applying to the program
  – completed before submitting an application

• Required science prerequisites are recommended to be:
  – taken in a traditional, face-to-face fashion (on-line courses will be considered)
  – for science majors so they have sufficient breadth and depth

• Statistics may be taken within any discipline
UNDERGRADUATE RECORD (cont.)

• Courses from 2- and 4-year institutions, including IB course work are acceptable; academic rigor is considered.

• Advanced placement courses do not fulfill prerequisites - all prerequisites must be taken at the undergraduate or graduate level.

• If a prerequisite course is over 10 years old - you do not need to retake a course –a higher level course can fulfill a prerequisite and at least one lab within 10 years is required.

• ACE courses do not fulfill prerequisites.
DIRECT PATIENT CARE EXPERIENCE

• Ideal >1500 hours; minimum 1000 hours completed before submitting an application

• Quality of the experience is most important
  – Highlight details of the experience in CASPA, to be corroborated by a supervisor’s reference letter

• Volunteer experience will be assessed on a case-by-case basis

• Training or internship hours cannot be counted

• PA Shadowing, while important, cannot be counted toward required hrs
PATIENT CARE EXPERIENCES

• Strong Patient Care Experiences require “hands-on” activities such as taking vitals, evaluating/triaging patients, bedside care, drawing blood, obtaining EKGs, etc.

• Examples:
  - Nurse
  - Dental hygienist
  - EMT or paramedic
  - Veterinary technician
  - Physical therapist
  - Respiratory therapist
  - ED technician
  - Patient care assistant
  - CNA
  - Nutritionist
  - Medical technologist
  - Other

• Experience opportunities can be found in nursing homes, ERs, hospitals, community health centers or private physician offices.
GRADUATE RECORD EXAMINATION (GRE)

- **The GRE examination is test optional**
  - If applicants would like us to consider their exam results as a component of their candidacy, we will do so in a contextual way. If students choose not to submit exam results, the application will not be penalized.

- If you choose to take the GRE exam, it must be taken within 5 years of applying

- GRE Code for Tufts PA Program - 0438

- MCATs may be substituted in lieu of GREs
• Recommended references
  – Supervisor during your patient care experience
  – A professional (medical) colleague or PA who knows you well
  – Academic reference (college advisor or pre-med committee letter acceptable) or another clinician or supervisor

• Should attest to your clinical experience and ability to work in the health care field at a high level

• A committee letter will count as only one recommendation

• Letters from shadowing experience not accepted
APPLYING TO THE PROGRAM

• CASPA Application: 2021 application opening date TBA

• Admission requirements - [http://medicine.tufts.edu/paprogram](http://medicine.tufts.edu/paprogram)

• Create an account on CASPA

• Request official transcript(s), GRE Score(s), references

• Upload resume to CASPA

• Complete the Patient Care Document and upload to CASPA
  (Qualtrics link to document is in CASPA)
APPLYING TO THE PROGRAM

• TUSM PA Program has a “Green” deadline, August 1, 2021

• Green Deadline means an application is “verified-by” the deadline

• Applicants should aim to have all items submitted by July 1, 2021 in order to meet the “verified-by” deadline of August 1, 2021.
APPLYING TO THE PROGRAM

CASPA Requirements:

• Application e-submitted in CASPA and application fee paid
  • Should include resume/CV and Patient Care document

• All official transcripts received by CASPA (May 2021 graduates: submit your transcript with application to meet first deadline then resend new transcript with degree conferral date to CASPA later, if necessary– even if it will be after July 1st)

• Minimum of two letters of recommendation received by CASPA (Note: Tufts requires three)
APPLYING TO THE PROGRAM

The following needs to be received by CASPA to meet Tufts’ requirements:

- 3rd letter of recommendation
- Official GRE/MCAT Scores (if submitting)
- TOEFL (if required)

No outstanding/incomplete application materials are allowed upon submission or after application deadline.
WHAT IS A COMPLETE APPLICATION?

- CASPA Application
- Official Transcript/s (all undergraduate and graduate)
- References (3)
- Resume uploaded to CASPA
- Patient Care Document uploaded to CASPA
- TOEFL Scores (if applicable)
- GRE Scores or MCAT Scores (if submitting)
AFTER YOU SUBMIT AN APPLICATION

• CASPA will verify transcripts and send to Tufts PA Admissions
• Tufts PA Admissions Office will verify completeness and send to PA Admissions Committee
• Interviews (June – September)
  — Invitations for interviews will be emailed
  — Interview Day will include a presentation, student-led tour, and two individual interviews with faculty and alumni
  — Anticipate interviewing 170 candidates for 50 seats
  — Meeting minimum admission requirements does not guarantee an interview or admission to the program
• Admission decisions will be delivered via an email

### Examples of Direct Patient Care Experiences

- EMT/Paramedic
- MA, NA, LNA, CNA
- Research
- International health work
- Phlebotomist
- Emergency Room Technician
- Patient Care Technician
- Stress Test Technician
- Home Health Aide
- Clinical Care Technician
- Personal Care Assistant
- Medical Officer
- Optometric Assistant
- Dental Assistant
- Radiologic Technologist
- Dermatology Technician
Getting Around the Area

• Public transportation
  – Subway: Orange, Red, and Green line all close
  – Buses: Silver line buses from TMC and South Station, and local bus service
  – Commuter Rail: South Station

• Personal vehicle
  – Student parking access

• Bicycle

• Walk

• Uber
Where do students live?

- Allston
- Boston
- Brighton
- Brookline
- Cambridge
- Charlestown

A STUDENT’S PERSPECTIVE - Workload

• A typical day and week:
  29 hours per week of class
  4 hours studying/night
  1.3 hour rounds/week
  1.6 hours group projects/week

• Community Service
  40 hours required in the first year
  1.3 hour of community service/week
  1 hours Sharewood/week

• Is the workload what you expected?
  29% A little less
  57% Exactly as expected
  14% A little more

Lobby Day 2019
A STUDENT’S PERSPECTIVE
Life Outside of School

- Farmers markets: Local and Haymarket
- Exploring Boston: SoWa market, Newbury Street, North End, festivals
- Breweries (Trillium, SlumBrew, Aeronaut, Nightshift, Sam Adams, Harpoon)
- Food: restaurants, BBQs, food trucks
- Within 60 miles of Maine, New Hampshire, Rhode Island, Western MA
- Volunteering
  - Sharewood
  - Barbara McInnis
  - Pine Street Inn

- Access to outdoors: running, walking, hiking, kayaking, bicycling
  - Charles River/Esplanade
  - Arnold Arboretum
  - Middlesex Fells Reservation
  - Harbor Islands
- Weekly yoga
- Museums: MFA, Museum of Science, Isabella Stewart Gardner Museum, Natural History Museum, and more
- Sports fans
  - Red Sox, Patriots, Bruins, Revolution
  - College sports
