Tufts Medicine Reunion

MAY 3–5, 2019
BOSTON, MA
Dear Tufts Alumni and Friends,

Your Tufts Medicine Reunion is coming up May 3–5, 2019, and you don’t want to miss it. Spring in Boston at the beautiful Four Seasons Hotel, across from the Boston Public Garden, will provide the perfect backdrop to some wonderful activities for you and your family.

Reunion is a chance to meet up with classmates, reminisce about “the good old days” in medical school, and learn about the great changes that have taken place at Tufts University School of Medicine (TUSM).

You will have an opportunity to hear from guest speakers on the current state of Tufts Medicine, including new changes to medical education, research highlights, global health, and the future of healthcare. We hope that this will serve to remind you of your wonderful roots in patient care, research, and teaching—and inspire you as to what is to come. There will be student-led campus tours, and plenty of opportunities to interact with students, Dean Harris Berman, and faculty members.

Reunion Class Giving Awards will be given to classes that exhibit exceptional generosity and participation in honor of their reunion—every gift, pledge, and bequest made to a Tufts school or program will count. It is a nice way to celebrate and make an immediate impact on TUSM.

Please join your classmates, current medical students, the Tufts Medical Alumni Association Executive Council, faculty, and administrators this spring in Boston. I look forward to seeing you in May and welcoming you back to Tufts.

Sincerely,

Tejas S. Mehta, M.D., M.P.H., M92, A19P
President, Tufts Medical Alumni Association
