REQUIRED IMMUNIZATIONS:

Tetanus, Diphtheria, Acellular Pertussis (Tdap): 1 dose of the adult Tdap vaccine is required, in lieu of Td booster. The Tdap vaccine was licensed in 2005.

If Tdap dose is 10 years or older a Td booster is required.

Measles, Mumps and Rubella (MMR): positive rubella antibody titer required AND two doses of MMR vaccine OR positive antibody titers for measles, mumps and rubella.

For antibody titer laboratory reports must be attached.

If antibody titer is negative, provide documentation of previous series (if available), negative titer lab report, along with documentation of first dose of new series.

Annual TB Testing:

Tuberculosis Skin Test OR Quantiferon Gold Testing: Required within 1 year prior to start date and required annually thereafter (for those with positive test results see positive TB section of form)

Positive TB Test Result:

Chest X-ray report required from within 1 year prior to start date AND documentation of past positive test (for chest x-ray report is required).

If documentation of positive TB test is unavailable, physician verification of positive tuberculin status is required.

History of BCG vaccine is not acceptable as proof of positive tuberculin status. BCG recipients must provide documentation of a tuberculosis test.

Varicella (Chickenpox): positive antibody titer OR 2 doses of varicella vaccine.

If submitting antibody titer, must attach laboratory report with titer date and result.

Hepatitis B: positive quantitative (numeric) antibody titer required AND 3 doses of vaccine.

Must attach quantitative laboratory report with antibody titer date and result.

If antibody titer is negative, provide documentation of previous series (if available), negative titer lab report, along with documentation of first dose of new series.

Influenza: The School of Medicine requires all students to submit documentation of the 2019-20 Annual Seasonal Influenza vaccine. (The 2019-20 vaccine will be available in August 2019.)

Recommended (except for students 21 years of age and younger):

Documentation of a dose of MenACWY vaccine received on or after 16th birthday.

Students 21 years of age and younger: dose on or after 16th birthday or signed State Waiver Form.

Recommended: Polio proof of vaccination may be required in the future.

Please Note: Students going on rotations during 4th year may need to meet additional immunization requirements.
