Student Health Insurance Policy for Graduating Students

Boston and Grafton Health Sciences students, who are graduating and enrolled in the student health insurance plan, have the option of either cancelling their health insurance on the date of graduation or continuing enrollment in the plan until the end of the paid insurance semester. Dental students cancelling their insurance may cancel on or after the date of graduation and after administrative clearance has been completed or continuing enrollment in the plan until the end of the paid insurance semester. The Fall term ends on February 28th/29th and the Spring term ends on August 31st.

The student must notify the Student Advisory & Health Administration Office of his/her intent by completing a Graduating & Cancelling Health Insurance Form. Cancellation must be requested within thirty (30) calendar days before or after the effective date of cancellation but no later than February 15th for the Fall term or August 15th for the Spring term. Students cancelling insurance coverage earlier than the end of the current insurance semester will receive a prorated credit based on the date of cancellation, if applicable.

Failure to notify the Student Advisory & Health Administration Office by submitting the required form will result in the student’s health insurance policy being cancelled at the end of the current insurance semester.

Indicate the date you want your insurance cancelled. If the cancellation date is from the 1st through the 14th of the month, you will receive a credit for the month. If the cancellation is from the 15th through the end of the month, you pay for the month. Changes cannot be made once the paperwork has been submitted to the insurance company.
