

Withdrawal or Dismissal Cancellation Health Insurance Form

Withdrawal or Dismissal Policy for Student Health Insurance Plan

Boston and Grafton Health Sciences students, who are withdrawn or dismissed and who are enrolled in the student health insurance plan, have the option of either canceling their health insurance or continuing enrollment in the plan for up to thirty (30) calendar days following their withdrawal or dismissal date. The student has fifteen (15) calendar days from their withdrawal or dismissal date to notify the Student Advisory & Health Administration Office of their intent by completing a Withdrawal or Dismissal Health Insurance Cancellation Form and by ensuring that full payment has been made. Students canceling insurance coverage earlier than the end of the current insurance semester will receive a prorated credit based on the date of cancellation, if applicable.

Failure to notify the Student Advisory & Health Administration Office by submitting the required form and to complete payment within the fifteen (15) day period will result in the student's health insurance policy being canceled on the date of Withdrawal or Dismissal from Tufts University.
