

Intern Learning Goals and Strategies

You as Learner	Care of The Patient	Your Students
<ul style="list-style-type: none"> • Be organized 	<ul style="list-style-type: none"> • Keep them alive 	<ul style="list-style-type: none"> • Orient students to team (including nurses) and to attending expectations
<ul style="list-style-type: none"> • Show autonomy 	<ul style="list-style-type: none"> • Provide good education; inform the patient about who is on the team 	<ul style="list-style-type: none"> • Deliver mini-lectures
<ul style="list-style-type: none"> • Learn the system 	<ul style="list-style-type: none"> • Be accessible 	<ul style="list-style-type: none"> • Have students take responsibility for their patients
<ul style="list-style-type: none"> • Learn for teaching (have teaching scripts prepared to use for teaching on the run) 	<ul style="list-style-type: none"> • Know the patient well 	<ul style="list-style-type: none"> • Communicate to students about patient's status/changes
<ul style="list-style-type: none"> • Learn from patients 	<ul style="list-style-type: none"> • Be organized 	<ul style="list-style-type: none"> • Have students experience the full process of care
<ul style="list-style-type: none"> • Learn details of management 	<ul style="list-style-type: none"> • Know the system 	<ul style="list-style-type: none"> • Be student's advocate
<ul style="list-style-type: none"> • Realize that fellow interns are probably at the same level as you 	<ul style="list-style-type: none"> • Learn from and for your patient 	<ul style="list-style-type: none"> • Follow up on student assignments
	<ul style="list-style-type: none"> • Make friends with the nurses and other teammembers 	<ul style="list-style-type: none"> • Be honest
		<ul style="list-style-type: none"> • Acknowledge the level of the student
		<ul style="list-style-type: none"> • Clarify that it is OK to ask questions
