

Innovations in Diversity Education Awards Program Progress Report Form

The Innovations in Diversity Education Awards Program funds are dispersed after receipt and approval of a progress report. Funds are dispersed according to the following schedule: 50% of grant award at the start of the funding period (early July), 25% at 6 months (progress report due on December 15) and 25% at completion (final progress report due on June 15 OR December 15, depending on whether you have a 12-month or 18-month grant period). You will be sent a reminder email about a week before the report deadlines.

In the space below, please describe your project/program progress to date. Have you been able to keep the grant in synch with your proposed timeline? If not, what have been the obstacles to your progress? Any anticipated changes to the grant? Feel free to use additional paper, if necessary.
