

Tufts University Clinical Faculty

Your appointment as a Clinical Faculty member allows you access to the eStore managed by OnTheHub. Your affiliation with Tufts Medical/Dental/Veterinary School as “Clinical Faculty” and your Tufts email address will allow you a discount on software. Each software has a different discount depending on the software vendor.

To Obtain Software

1. Go to OnTheHub at <https://estore.onthehub.com>
2. You will need to create an OnTheHub account using your Tufts email address.
3. All communication on the purchase, receipt and download instructions, will be sent to your Tufts email address.
4. You will purchase the discounted software using your own credit card.
5. The discounted software can only be installed on your personal (purchased) computer not your institutional computer.
6. If you have any questions or concerns, please contact OnTheHub Support via email or phone at 866-435-4722.
7. Make sure to keep your purchased software receipts in order to receive Support.
